

VertKleen CR

Non-Corrosive Caustic Replacement

VertKleen CR offers a safe replacement to 50% caustic soda so common in many industries. Still, all that potency comes with a triple-zero HMIS score which is non-regulated by the U.S. DOT and Canadian WHMIS, which makes it safe to ship, use and store.

USE DIRECTIONS

Use VertKleen CR as a direct replacement to 50% caustic solution. Can be safely diluted with water.

FIRST AID

If swallowed, drink two glasses of water. In case of eye contact, flush with water for two minutes. If symptoms persist seek medical advice

In case of skin contact wash thoroughly with soapy water. As with all chemicals, keep out of reach of children.

For Commercial and Industrial Use Only
