

Water Base Degreasers Comparison

Properties	VertKleen CR	VertKleen CR HD	SPECKLEAN	Simple Green
Water Composition %	50%	70%	85%	85%
Active Chemicals %	50%	30% (CR Based)	15%	15%
PH	13-14	13 -14	10.5 -11.5	8.5 – 9.5
HMIS Scorecard	0.0.0	0.0.0	1.1.2	0.0.0
S.P. G	1.24	1.22	1.04	1.01
Environmental Impact	Bio-degradable in < 10 days	Bio-degradable in < 10 days	Bio-degradable in unknown amount of time	Bio-degradable in unknown amount of time
Toxicity	None	None	Yes	Yes

NOTES:

The volume of ingredients in Simple Green does not trigger toxicity classifications.

Simple contains Butoxyethanol, which can damage Red Blood cells, irritate eyes and skin in continuous use.

In 2017, a class action suit was filed against Sunshine Manufactures for labeling Simple Green as non- toxic. It was settled after the manufacturer agreed to remove it.

Simple Green is not allowed to use in open waterways and ground water.
