

VertKleen CRS

100% Synthetic, Non-Corrosive HCl Replacement

VertKleen CRS, Calcium, Rust and Scale remover is a safe yet functional replacement, for traditional hazardous acids, that are used in many maintenance industries. It has the power to remove calcium, scale, rust and biological buildup, in one run, saving you time and money. **CRS** is non-fuming and non-corrosive, so no more chemical burns and no harm to stainless steel, rubber gaskets or other surfaces. It may also be used as an injection or sprayed on cleaner, for other critical systems. **CRS** biodegrades in less than 10 days and is made from 100% Cleangredients. Safe around people, animals, flora and fauna.

DILUTION RATIO

Light Soil, Mild Odor- 10:1
Moderate Soil and Odor- 5:1
Severe Soil and Odor- 2:1

USE DIRECTIONS

Apply to surface with spray or foam cannon. Let stand and work in for 10-15 minutes, then simply wash away. For heavily soiled areas let stand for 20 minutes. May also be injected at a variable rate to get a detailed cleaning.

CRS does not contain any additional iron control agents, demulsifiers, or corrosion inhibitors. No organic acid additions are required. Ratios may vary based on specific applications and recommendations from your dealer.

When pumping CRS it is recommended to use hose couplings and fittings approved by your product supplier. 316 stainless steel, polypropylene or schedule 80 PVC is recommended.

HAZARD STATEMENT

May be harmful if swallowed.
Causes mild skin irritation.
Causes eye irritation.

SIGNAL WORD

Warning
